## BERNARD BAILYN and ROBERT J. ALLISON The Essential Debate on the Constitution Federalist and Antifederalist Speeches and Writings

Here, in chronological order, are more than sixty newspaper articles, pamphlets, speeches, and private letters written or delivered during this ratification debate. Along with familiar figures such as Madison, Hamilton, and Patrick Henry, are dozens of lesser-known but equally engaged and passionate participants. The most famous writings of the period—especially the key *Federalist* essays—are placed in context alongside the arguments of insightful Antifederalists such as “Brutus” and the “Federal Farmer.” Return to the nation’s founding to rediscover the dramatic original debates—on presidential power, religious liberty, foreign corruption, and more—that still shape our world today.

## BEN S. BERNANKE, TIMOTHY F. GEITHNER, and HENRY M. PAULSON, JR. Firefighting

The Financial Crisis and Its Lessons

Ben Bernanke, Tim Geithner, and Hank Paulson come together to reflect on the lessons of the 2008 financial crisis. These three architects of the American policy response examine why the crisis was so damaging and what it ultimately took to prevent a second Great Depression. *Firefighting* provides a candid and powerful account of the choices they made and a valuable playbook for reducing the damage from future financial crises.

## MICHAEL BESCHLOSS Presidents of War

Ten years in the research and writing, *Presidents of War* is a fresh, magisterial, intimate look at a procession of American leaders as they took the nation into conflict and mobilized their country for victory.

“*Presidents of War* . . . looks at leadership from every angle: communication, the critical relationship with Congress, the treatment of civil liberties and the role of the (often formidable) presidential spouse.”—Lionel Barber, *Financial Times*

Crown • Hardcover • 752 pages • 978-0-307-40960-7 • \$35.00

## STEVE COLL Directorate S

The C.I.A. and America’s Secret Wars in Afghanistan and Pakistan

Resuming the narrative of his Pulitzer Prize-winning *Ghost Wars*, Steve Coll tells the story of America’s intelligence, military, and diplomatic efforts to defeat Al Qaeda and the Taliban in Afghanistan and Pakistan since 9/11.

“A spectacular account. . . . With impressive access to American, Afghan and Pakistani intelligence, Coll reveals the extent of the surveillance undertaken by all sides.”—*The Financial Times*

## ANDREW DELBANCO

### The War Before the War

**Fugitive Slaves and the Struggle for America's Soul from the Revolution to the Civil War**

Andrew Delbanco tells how fugitive slaves both forced northerners to confront the true nature of slavery and enraged southerners who demanded the return of their human “property,” a conflict that ultimately led to civil war.

“Transforms the figure of the fugitive slave from the margins of American history to its dynamic center. . . . This delightfully readable book is thronged with stories of heroes whose flights from bondage helped to revolutionize [this] country.”—Henry Louis Gates, Jr., Harvard University

Penguin Press • Hardcover • 464 pages • 978-1-59420-405-0 • \$30.00

## MATT FARWELL and MICHAEL AMES

### American Cipher

**Bowe Bergdahl and the U.S. Tragedy in Afghanistan**

*American Cipher* details the life, captivity, and trial of Bowe Bergdahl, the soldier who was abducted by the Taliban and whose story has served as a symbol for America's foundering war in Afghanistan.

“A riveting journalistic account of Bowe Bergdahl's disastrous—and weirdly poignant—choice to walk off his military base in Afghanistan. . . . A spectacularly good book about an incredibly painful and important topic.”—Sebastian Junger, author of *Tribe* and *War*

## HENRY LOUIS GATES, JR.

### Stony the Road

**Reconstruction, White Supremacy, and the Rise of Jim Crow**

An essential tour through one of America's historical tragedies, *Stony the Road* tells the story of the struggle for equality during the century between the Civil War and the civil rights era.

“Gates chronicles an American tragedy, the story of how white supremacy and Jim Crow became the South's—and white America's—brutal answer to Emancipation and Reconstruction.”—Jill Lepore, author of *These Truths*

Penguin Press • Hardcover • 320 pages • 978-0-525-55953-5 • \$30.00

**DINA GILIO-WHITAKER**

## **As Long as Grass Grows**

**The Indigenous Fight for Environmental Justice, from Colonization to Standing Rock**

The story of Native peoples' resistance to environmental injustice and land incursions, and a call for environmentalists to learn from the Indigenous community's rich history of activism.

"A masterpiece . . . Powerful, urgent, and necessary reading."—Roxanne Dunbar-Ortiz, author of *An Indigenous Peoples' History of the United States*

**KRISTIN L. HOGANSON**

## **The Heartland**

**An American History**

Kristin L. Hoganson deftly navigates between the history and the myth of the Midwest.

"Hoganson paints an original and surprising portrait of the Midwest: international in every respect, from its peoples and its animals to its politics and its economics. *The Heartland* is a compelling history that forces us to rethink the global and the cosmopolitan, the regional and the particular."

—Andrew Zimmerman, George Washington University

TONY HORWITZ

**Spying on the South****An Odyssey Across the American Divide**

"In the 1850s, Yankees saw the South as a foreign country and the *New York Times* sent Frederick Law Olmsted on an undercover mission to interpret it for readers. It was a daring and inspired move, and so is Tony Horwitz's retracing of Olmsted's path from the Potomac to the Rio Grande. . . . This is one of the most illuminating books about the South and Texas, and about our own divided times, I've had the pleasure to read."—Bryan Burrough, author of *Days of Rage*

Penguin Press • Hardcover • 496 pages • 978-1-101-98028-6 • \$30.00

NANCY ISENBERG and ANDREW BURSTEIN

**The Problem of Democracy****The Presidents Adams Confront the Cult of Personality**

Nancy Isenberg and Andrew Burstein investigate how both John and John Quincy Adams' skepticism foresaw the rise of the cult of personality and the ways democracy's inherent weaknesses could be abused.

"By exploring the failed presidencies and probing ideas of John and John Quincy Adams, Isenberg and Burstein expose the deep roots of contemporary demagogues and their polarizing deceptions."—Alan Taylor, author of *American Colonies*

Viking • Hardcover • 576 pages • 978-0-525-55750-0 • \$35.00

DAVID A. KAPLAN

**The Most Dangerous Branch****Inside the Supreme Court's Assault on the Constitution**

Based on exclusive interviews with the justices and dozens of their law clerks, *The Most Dangerous Branch* reveals the secret world of the Supreme Court. David A. Kaplan, the former legal affairs editor of *Newsweek*, shows how the justices subvert the role of the other branches of government—and how we've come to accept it at our peril. With the retirement of Justice Anthony Kennedy, Kaplan argues, the court's aggrandizement of power will be greater than ever.

JON MEACHAM, TIMOTHY NAFTALI,  
PETER BAKER, JEFFREY A. ENGEL**Impeachment****An American History**

Four experts on the American presidency examine the three times impeachment has been invoked—against Andrew Johnson, Richard Nixon, and Bill Clinton—and reveal the complicated motives behind each impeachment. Each case depended on factors beyond the president's behavior: his relationship with Congress, the polarization of the moment, and the power and resilience of the office itself.

## JOHN OKADA **No-No Boy**

*Introduction by Karen Tei Yamashita*

The first Japanese American novel, *No-No Boy*, tells the story of draft resister Ichiro Yamada, whose refusal to comply with the U.S. government after his experience in an internment camp earns him two years in prison and the disapproval of his family and community in Seattle. A touchstone of the immigrant experience in America, it dispels the “model minority” myth and asks pointed questions about assimilation, identity, and loyalty.

## JOHN OLLER **White Shoe**

**How a New Breed of Wall Street Lawyers  
Changed Big Business and the American Century**

The story of the visionary attorneys who helped make Wall Street the center of the financial world.

“Everyone has heard of J.P. Morgan and John D. Rockefeller, but few are aware of the attorneys who did their bidding. . . . In sparkling prose, Oller captures their clever courtroom connivances, but also their surprising commitment to reforming the very system they fought to uphold. A highly illuminating read.”—Justin Martin, author of *Greenspan: The Man Behind Money*

## DAVID I. KERTZER

### The Pope Who Would Be King

The Exile of Pius IX and the Emergence of Modern Europe

Pulitzer Prize-winning author David I. Kertzer tells the story of the bloody revolution that stripped the pope of political power and signaled the birth of modern Europe.

“[David I.] Kertzer’s brilliant treatment of the crisis in the papacy between 1846 and 1850 reads like a thriller. All the characters, from the poor of Rome to the king of Naples, stand out with a vividness that testifies to his mastery of prose.”—Jonathan Steinberg, *The New York Review of Books*

## STEVEN LEVITSKY and DANIEL ZIBLATT **How Democracies Die**

Donald Trump's presidency has raised a question that many of us never thought we'd be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies, and they believe the answer is yes. Drawing on decades of research and a wide range of historical and global examples, Levitsky and Ziblatt show how democracies die—and how ours can be saved.

WALTER RODNEY

## How Europe Underdeveloped Africa

In his magnum opus, *How Europe Underdeveloped Africa*, Walter Rodney incisively argues that grasping “the great divergence” between the west and the rest can only be explained as the exploitation of the latter by the former. This meticulously researched analysis of the abiding repercussions of European colonialism on the continent of Africa has not only informed decades of scholarship and activism, it remains an indispensable study for grasping global inequality today.

SARAH ROSE

## D-Day Girls

The Spies Who Armed the Resistance, Sabotaged the Nazis, and Helped Win World War II

Rigorously researched and written with razor-sharp wit, *D-Day Girls* is the untold story of the women recruited by Britain’s elite spy agency who paved the way for Allied victory.

“Sarah Rose’s *D-Day Girls* is . . . a highly relevant read that will, at long last, inscribe the names of three remarkable female spies—Andrée Borrel, Odette Sansom, Lise de Baissac—into our history books.”—Susannah Cahalan, author of *Brain on Fire*

MATTHEW STANLEY

**Einstein's War****How Relativity Triumphed Amid the Vicious Nationalism of World War I**

Science historian Matthew Stanley recounts the story behind Einstein's world-changing idea—relativity—and how it was shaped by the social upheaval and bloody horror of the First World War. In the face of bigotry and nationalism, as scientists were arrested as spies and technical journals were declared enemy propaganda, Einstein worked to develop the theory of relativity and persuade the world it was correct.
